

JANGNEUS | SWEDISH KITCHEN CULTURE

PRODUCT CATALOGUE - AUTUMN/WINTER 2015

WE LIVE OUR LIVES IN DIFFERENT WAYS

Nevertheless, we meet in the kitchen. Mornings, afternoons and evenings. Weekdays and weekends. The kitchen has always been the heart of our homes.

It's good to be home...

At Jangneus we believe the best design is practical. Swedish kitchen culture encompasses our vision, to combine the Swedish tradition of form and function and accompany it with original design.

We can't do the washing-up for you but with colourful and fun accessories even the simplest of domestic chore can become an everyday pleasure. Our products are guaranteed to bring fresh Scandinavian style into the heart of your home!

We are constantly growing our collection with new designs and as ideas hatch, we will be bringing you new products where you will continue to find the simple message of Swedish kitchen culture.
